ANNUAL INDEX, Vol. 4 4 4 4

A	Correct seeketing, October	Indiana Coal Mining Institute -Old Ben's plans for Kings Station
Acid mine drainage can be stopped	-You spend too much on tires! February	Mine presented to Indiana CMI, June
(Forecast '67) January	D	Institute of Electrical & Electronic Engineers (IEEE) —Maintenance groups turn out for
Marianna's prep plant, March 35 Air Quality Act passes Senate,	Danger-stay out! (Comment),	annual conference, May 40
moves to House, September	July 9 Degasification—a read to increased	It's Coal Show time, April
It's Coal Show time, April	Degasification—a read to increased production, November	1
-Who & what you'll see at	October 38	J & L initiates AMD control with lime
-Who & what you'll see at the Coal Show, April	October 38 Diamond Jewell Coal Co., Pilgrim Knob. Va., June 40 Dunn, Stephen F.	slurry pilot plant, July
And that is why we have unit trains (Comment), November 9	-Coal looks for another good year (Forecast '67), January 31	Marianna's prep plant, March 35 Modern producer of utility
Anderson, Robert A. —How to get top performance & long- er life from hydraulic systems with	E	fuel, A, September
minimum maintenance, December 34	Eadie, George R.	-Another TVA for Appalachia?
Another TVA for Appalachia? (Comment), June	-Contour mining in Alabama.	(Comment), June
Appalachia and the three R's	November	(Comment), April 23
(Comment), April	cieans culm, reduces trucking costs, re-	Big, modern efficient
processing? October	mains competitive, December 30 —Hanna unveils the GEM, June 44	Danger-stay out! (Comment).
County, W. Va., July24 & 28	-How to get high production in	July 9
	low coal, June	-Designed for 50 years of service, October
В	tional equipment, January	Ever live in a mining camp?
200	tubular conveyor galleries.	(Comment), December
BCR—forerunner in coal research (Forecast '67). January	January	-Have you checked on the gas in- dustry lately? (Comment),
Beth-Elkhorn Corp., Pike No. 26 Mine, Pike County, Ky., October38, 41 & 45 Bethlehem Mines Corp., Marianna #58	with NACCO lignite, September 34	March 13
Bethlehem Mines Corp., Marianna #58	-Olga gets 12-ft diam air shaft, March	-How green was my valley (Comment) January
	March 44 —Production is up at Armeo's Robin Hood Mine, July 24	January 12 J & L initiates AMD control with
March 35 Big Coal Show, The (AMC, Cleveland Coal Show), July 42 Big, modern, efficient	-Robin Hood's new plant replaces	lime slurry pilot plant, July 32
Coal Show), July	old on same site, July	haulage, October
October	advance, March 28	Keyed to large-scale track haulage, October 41 - Modern producer of utility fuel, A, September 22 - Our environment (Comment),
March 48	advance, March	October 18
March Britain reorganizes NCB for greater	August	October
efficiency, October	production, May	equipment, August
-U.S. Coal is an energy bargain for the Free World, June 48	-Trickle-duster eliminates hazard of float dust, March	mine, April
tot the rice world, oune	The state of the s	
	-Warrior's prep plant jigs 650 tph	quate (Comment), September 7
•	November 32 Eastern Associated Coal Corp	-We salute the centennial of Illi-
с	November 32 Eastern Associated Coal Corp., Keystone #2 Herndon	ouate (Comment), September
C Calculating haulage performance may	November 32 Eantern Associated Coal Corp., Keystone Mine #2, Herndon, W. Va., January 40 Ever live in a mining camp? (Comment).	quate (Comment), September 7 -We salute the centennial of Illinois strip mining (Comment), February 10 -Well-designed prep plant, A.
Can mining operations be planned to	November 32 Eastern Associated Coal Corp., Keystone Mine #2, Herndon,	ouate (Comment), September 7 -We salute the centennial of Illi- nois strip mining (Comment), February 10 -Well-designed prep plant, A, April 69 -What will you be doing in 1985?
